Membership dues, and any donation beyond membership dues, help to reserve event venues prior to receiving ticket revenues and support our minimal overhead consisting mainly of the cost of maintaining a website, Post Office box, business cards & Grand Ball flyers and the minimal insurance required to rent venues. [⊕ Donations are **NOT** tax deductible.]

Annual Membership: \$15 per person, \$35 per family (including dependants).

Thank you for any extra donation \$\$\$!

(2) **Facebook** Like & follow us on Facebook. Initiate a request to join our Facebook group under the name of "VSC - The Official Page for the Victorian Society of Colorado". Once you are a group member, please "Follow" us and in the pull down menu select "Notifications On". "All posts" will notify you whenever there is a discussion, history posts and other events our members invite each other to. "Highlights" is just the Administrator's posts, which are not very many.

(3) **Emailing List** You will be added to our emailing list, unless otherwise noted. Please feel free to forward our calendars and events to your friends. The number one way to increase membership is through personal invitation from a friend. People do not need to be or become a member to participate in general events.

I'm already on your list, but please change my e-mail address from _____ to the one listed above.

Please do not put the **new** email address above on the VSC e-mail list.

(4) **Attend events, of course!** And bring friends of all ages.

(5) **Recruit Friends.** Encourage friends to sign up on our Facebook site or e-mail us to join our email list.
